

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to providing new design concepts and top quality so as to meet the diverse needs of their customers.

TREK Cleaning Machines continually offers fresh design concepts as shown in their product development. They like providing items which energize both their partners and their dealers and provide production gains to their customers.

The team at TREK enjoys tackling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills along with their understanding of cleaning applications, together with owners' strong desire to dramatically reduce cost through productivity gains.

When considered necessary, the employees within TREK and its numerous dealer members in both parts and in technical support will be obtainable. Among their core values is their high service dedication in their customer service. Keeping their customers' cleaning machines ready and functioning day by day is top priority. The company's top of the line technology delivers dependable machinery which ultimately lowers your cleaning cost. The product, the price and the service all work as one so as to make them the leader in the trade.
