

American Lincoln Parts

American Lincoln Part - Presently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are known in the industry as providing durable and strong equipment that meets the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber together with the Clarke Company that is currently likewise owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln can provide warranty service, equipment and components for these scrubbers which carry both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where efficiency and results matter. Recently, this particular floor scrubber model has been requested by the architects in new construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site due to the model's utmost performance level and excellent quality for polishing concrete.
